

THE CLAY SHOOTING COMPANY

Clay Pigeon Shooting on the Thames

Welcome aboard our beautiful and historic Havengore. With links back to Winston Churchill as she was the proud carrier of his coffin on the funeral parade.

The Havengore and her friendly and experienced crew are on hand to ensure you enjoy your day.

Collection from virtually any pier within central London followed by a cruise down river through London and the Thames Barrier to Thames Mead, where your clay pigeon shoot will begin.

You will be welcomed aboard with freshly prepared canapés and drinks of your choice.

The Havengore has a fully stocked bar and carries house wines & champagnes but we are able to order in your own preferences if required.

Whilst the shoot is in progress a hot bowl buffet lunch or BBQ will be served onboard.

During the shooting, we will provide all safety equipment and insurance. Our experienced team will look after you every

step of the way. Individual scores will be tallied for a fun competition with a prize for overall best shot on the return journey.

Prices vary depending on group size – the bigger the group the better the cost per person due to the fixed costs involved.

Minimum group size on the Havengore is 10. Maximum group size is 39.

Latest departure time Oct – March 1pm.
