

Simulated Game Days - Cotswolds

Before you can blink, the Game Season is over but this doesn't mean the fun has to stop!

We have a spectacular Estate in the Cotswolds, just over an hour from London, 3 minutes off the A40. Here you can experience the same fun and adrenaline with High Pheasants, Grouse, Partridge and more. Everything from Incredibly high birds to low, fast and furious Grouse - exhilarating fun.

With over 4000 clays launched in a half day event there is plenty of shooting for everyone. An ideal way to 'get your eye in' before the season begins again.

We use manual traps to ensure we can offer the fastest speeds and variety of targets. From full flushes to sporadic birds intermingled to keep you on your toes.

The Day can be as formal or informal as you like, from 8 – 16 guns. We can provide everything from 4x4 transport to lunch, cartridges and loaders. You may prefer for us just to provide the shooting – the choice is yours. Suitable for both Novices and Experienced shots.

Whether it's a day with family and friends, a way to repay a shooting day or something different to entertain clients or colleagues - this is a great experience at a fraction of the cost of a Full Feathered Game Day.
