The Clubhouse at Westfield

A Fantastic location with easy access from all compass points, Westfield offers a stunning Cotswold Barn for entertaining Clients, Staff or just friends. The terrain here is typical of the Cotswolds, sloping hills, small coppices of trees, stone walls, valleys and a disused railway line for added interest. Beautiful and despite the gun shot noise – peaceful!

Whether you are looking for a good competition ground, a venue for a corporate day with conferencing or a charity shoot – Westfield fits in well with all your plans. There is suitable space for a marquee, parking on hard standing for up to 100 cars, toilets and catering facilities. We are also able to do multi-activities year round.
